## Lovejoy Health Center welcomes Licensed Clinical Professional Counselor, Ashley Rancourt

ALBION – This October, staff at Lovejoy Health Center are pleased to welcome Ashley Rancourt, Licensed Clinical Professional Counselor. Ashley has experience in both inpatient and outpatient counseling environments.

Ashley earned her master's degree in *Clinical Counseling* from the University of Southern Maine. Previously, she earned her bachelor's degree in *Psychology* from the University of Maine at Farmington. Ashley comes from years of experience providing treatment to adolescent patients through her work in local schools. Ashley brings background in both one-on-one and group therapy treatments. Ashley will be a great addition for the Albion area and surrounding communities.

Ashley Rancourt, LCPC

Ashley joins physician Dean Chamberlain; physician assistant Nikki Kimborowicz; family nurse practitioner Keiko Kurita; and licensed clinical social worker Deb Daigle. Our clinicians offer medical and behavioral health services for patients of all ages.

Residents of Albion and nearby towns have enjoyed quality care at Lovejoy Health Center since its founding in 1978.

Lovejoy Health Center is a part of HealthReach Community Health Centers, a group of twelve Federally Qualified Health Centers located across Central and Western Maine. Dedicated clinicians deliver high-quality healthcare to citizens from 9 of Maine's 16 counties. To ensure access for everyone, HealthReach accepts Medicare, MaineCare, and major insurance providers. In addition, an Affordable Care Program is available to both uninsured and underinsured residents. Assistance is available for applications to programs that help with the cost of your healthcare and medications, including the Health Insurance Marketplace.

A private non-profit with a 47-year history, HealthReach is funded by patient fees, grants, and by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$4,815,606 with 82.2% financed by non-governmental sources. The contents above are those of the author, and do not necessarily represent the official views of or an endorsement by, HRSA, HHS, or the U.S. Government.
